Dear Mr. Reid:

Thank you for your May 8, 2019 letter offering the ACA's assistance and support.

I understand you met with Alberta Transportation staff earlier this year in an all-owners group meeting that was the first of its type. I appreciate the dialogue these meetings and discussions will generate.

The department is interested in hearing the ACA's proposals regarding contract language and project supports. As such, I have asked Ms. Ashley Bhatia, Executive Director of Strategic Procurement, to contact you to arrange a meeting. Alternatively, you can contact Ms. Bhatia at 780-643-6312 or ashley.bhatia@gov.ab.ca.

Sincerely,

Ric McIver
Minister

I would like to receive your recommendations directly as well. Please email them to me at ric-mciver@gov.ab.ca
